

Stephanie Reese to duet with LA's premier balladeer

WORLD-CLASS performer Stephanie Reese is set to share the stage with L.A.'s premier balladeer Sonny Madera in the much-anticipated *At Last...Stephanie Reese LIVE! In Concert* on September 27 at the Normandie Casino.

What happens when the Standing Ovation Queen and an award-winning song master join forces? Well, it's sure to be a magical experience not to be missed!

Monet Lu's Events Specialists International is mounting this soulful musical extravaganza for only 250 of the most privileged audiences.

in Disney's world premiere of *The Hunchback of Notre Dame* in Berlin, and as Princess Tuftim in *The King and I* in London.

Sonny, on other hand, had his start as a singer at the famous Manila Hotel in the Philippines but just before he was set to record an album was presented with the opportunity to emigrate to the US.

Otherwise known as LA's premier balladeer, Sonny has also performed for foreign audiences in the European cities of Paris, Rome, France, Palermo Sicily and most recently in Marseille, France. Moreover, Sonny is also a fine actor both on screen and on stage,

in addition to holding a degree in Education, Psychology and Masters in Business Administration in Health Care Management.

A few years back Virgo Promotions honored Sonny with The Best Actor award for his memorable performance in *Hanggang Dito Na Lamang* at Maraming Salamat.

Over the years, Sonny has been sharing the stage and spotlight with big stars from the Manila such as Gabby Concepcion, Richard Gomez, Imelda Papin, Jestoni Alarcon and Gretchen Barreto among others.

On Sept. 27, he will be sharing the stage with the amazing Stephanie Reese whom legendary artist Patti La Belle has described as "a tiny person with a big voice" and pop star Lionel Richie has called an "amazing talent."

Los Angeles will soon get its turn to savor a riveting musical experience featuring two of the best crooners at the cozy and state-of-the-art concert hall of the Normandie Casino with only 250 privileged music aficionados.

Composer Alex Lagman is lending his expertise as the concert's musical director.

To reserve your seats, please call Monet at (213) 216-4923 or send an email to beaumontcorp@gmail.com.

The concert headlined by Stephanie will feature unforgettable duets with Sonny featuring songs we have grown to love over the years.

"Their numbers may come across as nostalgic but at the same time totally fresh because of the contemporary interpretation of these two unique artists," says Monet, executive producer of the concert.

Both Stephanie and Sonny have enjoyed international careers in entertainment.

Stephanie has performed in major entertainment venues from Germany to France, Thailand to the Philippines and all over the United States and along the way has picked up a trail of following for her exceptional artistry. Her career in music and performing has crossed continents having starred as *Miss Saigon* in Germany, as *Esmeralda*

A GREEN CARD THROUGH CITIZEN PINOY! After 15 years of separation, Blessie (2nd from left) is finally reunited with oldest child Errol (3rd from left). When the Embassy refused Errol's visa because he aged out, Blessie went to Citizen Pinoy's New York taping and asked about her son's situation. Atty. Gurfinkel then convinced the Embassy to reconsider, and within two months, the Embassy issued Errol's visa under the Child Status Protection Act (CSPA). Listen to their touching family story and see how persistence and prayer worked miracles in their lives, when hosts broadcast personality Gel Santos-Relos (left) and leading immigration attorney Michael J. Gurfinkel bring you this week's episode of Citizen Pinoy on Sunday, at 5:40 pm (PST) with a replay on Tuesday at 11:20 pm (PST) on TFC. Citizen Pinoy also airs on ANC-US every Saturday at 5pm with replays on Sunday at 9am, all PST; and on ANC-Philippines every Sunday at 8am, with replays at 12 midnight on Mondays.
