It didn't take long when the company widened their reach and turned to distribution in supermarkets, convenience stores and canteens in its locale of Cebu.

In 2005, Magic Melt got incorporated and was named Magic Melt Foods, Inc. (MMFI).

Now, MMFI extends its warmth and shares the best of Philippine products with more Filipinos not only within the country but also abroad, with a wide distribution in the United States in key regions where its various distributors are located. In Southern California, Magic Melt cookies and *ensay-*
