

# DISH Network launches four GMA Channels in Filipino programming

Four new Filipino channels from a leading Philippine broadcaster will be available through two programming packages

ENGLEWOOD, Colo. —DISH Network Corporation (NASDAQ: DISH), a leading US satellite-TV service provider, announces today that it began offering four new Filipino programming channels through two new International programming packages as of September 18:

**GMA Pinoy TV**—The first international channel of leading television station GMA Network, GMA Pinoy TV airs most of the current top-rated programs from the Philippines, each of which are winners in their time blocks. Programming is family-oriented and is composed of news, public affairs, sitcoms, soap operas, games shows, variety shows and talk shows.

**GMA LIFE TV**—In addition to mainstream entertainment, GMA LIFE TV has a line-up of heart-warming and inspiring programs that feature the Filipinos' lifestyles and interests.

**DZBB Super Radyo**—GMA Network's AM radio station in the Philippines, DZBB is considered one of the top stations in the AM band in Metro Manila. It is also recognized as one of the most award-winning radio stations in the Philippines.

**DWLS Barangay LS**—The FM radio station of RGMA, a subsidiary of the GMA Network, DWLS was previously known as Campus Radio. The station plays pop songs and original Filipino music.

"DISH Network offers the largest international channel line-up in the country," said Tracy West, Vice President of International Programming for DISH Network. "We're thrilled to expand our existing Filipino programming to include these four new channels—especially as DISH Network is currently the only place for Filipino customers to watch GMA Life TV and enjoy listening to the DZBB and DWLS radio stations."

"GMA Network is delighted that our programs are now available on DISH Network in a partnership that allows more Filipinos all over the United States the opportunity to enjoy our expanded channel line-up," said Gilberto R. Duavit, Jr., executive vice president and chief operating officer, GMA Network. "Filipinos will not only enjoy GMA Pinoy TV's top-rated

entertainment shows and highly credible news and public affairs programs, but will have access to our second newly launched international channel, GMA Life TV, which features fresh, awe-inspiring and informative programs."

The four new channels will be offered as part of the new GMA Pinoy Package for only \$19.99 per month or the Pinoy Mega Package for \$23.99 per month. These packages join DISH Network's popular Viva Pinoy Pack featuring Viva TV, NBN America and RPN USA for \$11.99 per month.

DISH Network currently offers more than 140 international channels in more than 25 different languages. Customers can contact DISH Network at 1-800-333-DISH (3474) or their local retailer for more information on how to subscribe to DISH Network. To learn more about DISH Network's international programming offers, visit [www.dishnetwork.com](http://www.dishnetwork.com).

DISH Network Corporation (Nasdaq: DISH), the nation's third largest pay-TV provider and the leader in digital television, provides approximately 13.79 million satellite TV customers as of June 30, 2008 with industry-leading customer satisfaction which has surpassed major cable TV providers for eight consecutive years.

DISH Network also provides customers with award-winning HD and DVR technology including the ViP722 HD DVR, which received the Editors' Choice awards from both CNET and PC Magazine. In addition, subscribers enjoy access to hundreds of video and audio channels, the most international channels in the U.S., industry-leading Interactive TV applications, Latino programming, and the best sports and movies in HD.

DISH Network offers a variety of package and price options including the lowest all-digital price in America, the DishDVR Advantage Package, high-speed Internet service, and a free upgrade to the best HD DVR in the industry. DISH Network is included in the Nasdaq-100 Index (NDX) and is a Fortune 300 company. ## Body talk with Mariel...

From PAGE B5

"We've been 'on' for less than a year. I'd known him for a while, we were going out, but I got to know him better, and we started going steady only after we came out of Big Brother's house."  
Is he your first showbiz boyfriend?  
"He's the first. I've had two,

both not from showbiz. Zanjoe and I compliment each other. I'm madalal and he is quiet. I'm hyper and he's not."

What's your outlook in life?  
"Optimistic. Why worry?"

You are hoarse. Did you get that from hosting Wowowee?  
"No. Bata pa lang ako, paos na talaga ako."

Name three guys who you think have nice bodies?  
"Zanjoe, of course! Jon Avila. Derek Ramsay."

And three women...  
"Angelica Panganiban. Cristine Reyes. RR Enriquez."

Using only body language, how would you make a guy know that you admire him?  
"I look at him and smile." ■

**FACIAL & BODY ENHANCEMENT SERVICES:**

- \$65.00** **Deluxe Facial (60mins)** Includes facial deep cleanser, scrub, enzyme peel, extraction, mask, toner, moisturizer with sunblock.
- \$480.00** **Microdermabrasion** (8 series Program at \$60.00/session) This is a non-invasive resurfacing treatment with exfoliation of the skin making it look smooth and supple. Series of treatment are recommended depending on the skin condition.
- \$75.00** **Photolight Therapy** (\$100.00/ session; \$75.00/session with program of 8 sessions) is the most advanced and non-invasive treatment with no downtime and hyperpigmentation. Photolight therapy is rated one of the most popular and results oriented anti-aging treatment by leading spa magazines.
- \$35.00** **Collagen Eye Infusion Zone** Collagen is applied under the eyes through the use of ultrasonic/galvanic machine. It increases moisture, elasticity and firmness. It smoothes fine lines and wrinkles. It diminishes swelling and dark circles under the eyes. It improves the appearance of over-stressed skin around the delicate eye area.
- \$200.00** **Derma Roller** (8 Series Program at \$150.00/Session) Also known as micro-needling therapy. It is unique "Class 1" FDA registered medical tool that is non-surgical and non-ablative treatment. It is ideal for various skin conditions such as aging (wrinkles, stretching), scarring (acne, surgical) and hyperpigmentation. Clinical studies have shown that this treatment is more effective than laser resurfacing, dermabrasion and chemical peel. It is effective in stimulating collagen and elastin production, thus, reducing wrinkles and smoothing scars.
- \$1200.00** **Body Massage** (Swedish, Thai or combo)
- \$65.00** **Permanent Hair Removal** Hair Tronics is a permanent non-invasive method of gently removing unwanted facial and body hair without pain. (Upper lip usually 30 mins. at \$150; Underarms - \$250; Arms - \$350; Legs - \$450; Bikini Regular Cut or Hi-Cut - from \$150 up)
- \$250.00** **Chemical peeling** Skin resurfacing technique used to improve and smooth the texture of the facial skin using a chemical solution that causes the skin to blister and eventually peel off (2 consecutive days of treatment)
- \$29.99** **Mouth Spa** Fresh Breath Kit (All Natural) - NO MORE "MORNING BREATH" EVER!

---

**MEDICAL SERVICES:**

- \$100.00** **Endermologie** (\$100/session): \$70.00/session with program of 14 sessions. Endermologie is a non-invasive technique for reducing the appearance of cellulite. The look of cellulite does not necessarily diminish with weight loss and liposuction fails to address the top layer of fat under the skin. This treatment can be combined with mesotherapy.
- \$100.00** **Glutathione IV** (10 Series Program at \$70.00/session) Glutathione has been shown to slow down the aging process, detoxifies and improves liver functions, strengthens the immune system and reduces the chances of developing cancer. It also helps in improving mental functions and concentration, increasing energy and improving the heart and lung functions, to name a few. It is considered as the body's antioxidant.
- \$700.00** **Mesotherapy Love Handles** (10 Series Program+1) This treatment is a series of injections formulated from a cocktail of vitamins, minerals, amino acids and homeopathic remedies which are injected into the skin between the dermis and subcutaneous layers of the skin known as mesoderm. It dissolves fats on love handles, stomach, saddle bags, bra bulge, inner and outer thighs, knee pads, double chin, face, neck, arms, back, legs and waist. It is also used to contour facial shape. Possible side effects are generally mild and may include a short period of burning or itching, as well as, temporary soreness which can last from a few minutes to as much as 2 days. Temporary bruising is common, yet most bruises fade within one week and certainly gone within 2 weeks.
- \$100.00** **Mesohair** (8 Series Program at \$80.00/session) This is an excellent and non-invasive technique for the prevention and treatment for Androgenic Alopecia (hair loss). Results from this treatment ranges from good to excellent. Androgenic Alopecia is a common disorder affecting both men and women.
- \$180.00** **Botox** (\$9/unit) Botox is a purified protein. It is a non-surgical, physician-administered treatment that can temporarily reduce moderate to severe frown lines and crow's feet lines in clients. Botox cosmetic is the only treatment of its type approved by the FDA for this use. This treatment is minimally invasive. It requires no recovery time and causes little discomfort.
- \$100.00** **Fillers** These are injectable gel replacing the hyaluronic acid that the skin has lost. This treatment brings back the skin's volume, smoothing away facial wrinkles and folds. It is the first-smooth-consistency HA gel and the only HA filler that is FDA approved. This treatment may last up to a year.
- \$100.00** **Bio-Identical Hormone Replacement Therapy** Bio-identical hormones are the exact hormones, molecule per molecule that your body produces. They are considered natural to the body because they are identical. This is prescribed according to the specific needs of the body. There is no over dosage.
- \$75.00** **Wart Removal** Warts are growths in the skin caused by a virus. This virus causes rapid growth of cells on the outer layer of the skin.
