# Seafood City provides new shopping experience for Cerritos, OC residents

Seafood City offers the best value on a wide variety of the freshest produce, seafood, meat, groceries, as well as health and beauty products.

Residents of Cerritos and the Orange County have been raving about the newly-opened Seafood City Supermarket, along Norwalk Blvd. and Artesia. It is conveniently located off the 91 freeway, a block from the Norwalk Blvd. exit, and is just 10-12 miles from nearby Anaheim and Buena Park.

Shoppers have been buying by the cartloads because of the great deals to be found at Seafood City in Cerritos. Specials include 40-pound sacks of rice for only \$19.99, Buy 1 Get 1 on chunky corned beef in can, soy sauce at 3 bottles for 99 cents and more!

Seafood City is the largest full-service supermarket of its type in the U.S. Ease and convenience of shopping is paramount with its spacious aisles, everyday value pricing, wide assortment of products and fresh seafood, meat and produce.

What's even better are product innovations aimed to provide customers with even greater convenience. At the Seafood Section, rows and rows of Freshly Cleaned and Packed Fish offer a no-fuss, no-mess and speedy alternative to those displayed in the traditional stainless-steel tables. "Now I don't have to go through the process of selecting fish then waiting in line just to have it cleaned. This really saves me a lot of time," said Theresa, a working mom. And for those days when there's no time to cook, the best option is the Hot, Freshly Fried Fish that's conveniently packed in handy containers. Choices include Fried Tilapia

with Mango Sauce, Fried Bonita (Tulingan) and Fried Round Sead (Galungong). "Luto na! (It's already cooked) so I don't have wait at all. I bought the Fried Tilapia when I shopped here last week and it was good. This time, I'll try the Fried Galungong (Round Sead)," said Dianne, who has become a regular customer at Seafood City since it opened last week.

On top of the convenience is the one-stop shopping experience that has made the whole retail complex a destination for Filipinos. There is wide range of dining/food choices with Jollibee, Valerio's Bakeshop, Mabuhay Kitchenette, Polly's Pies, Myung Sung Noodle House, Boba Cafe and Cho Dang Tofu Restaurant.

A variety of services are also available with LBC Cargo and Money Remittance, Charot Hair Salon, Supercuts, La Von Skin Care, Flower Plaza and Bank of America.

The creation of a retail hub that caters to the Filipino/Asian lifestyle is the blueprint for Seafood City's expansion into other locations, thus creating a "home away from home" for Filipinos all over the United States. Other Seafood City locations are in West Covina, Cursort, Panorama, Eagle Rock and Vermont Avenue in the Los Angeles Area, in National City, Mira Mesa and Chula Vista in San Diego, in Vallejo, Sacramento, Union City and San Jose in Northern California and in Las Vegas, Nevada.

Seafood City Supermarket is at 17202 Norwalk Boulevard in corner Artesia, CA 90703. Business hours are from 8a.m. to 9p.m. daily.
