'Wowowee' Host Loses P3M

Thieves took away about P3 million worth of items from the Quezon City home of popular television host Wilfredo Buendia Revillame, or Willie Revillame, early Monday morning, a police official said.

Revillame reportedly went out of town during the weekend and left behind two household helpers inside his home located at 516 Cameron Street in the exclusive Corinthian Hills subdivision, Barangay (village) Ugong Norte in Quezon City.

Operatives from the Criminal Investigation and Detection Unit (CIDU) and Scene of the Crime Operatives (SOCO) were dispatched to the area at around 6 a.m. to conduct an investigation.

Initial investigation revealed that still unidentified members of an *akyat-bahay* gang entered the home of Revillame by breaking the

bathroom window.

"Suspects gained entry through the house comfort room by destroying its back window and carted away with assorted jewellery worth P3 million," Gatdula said.

In a radio interview, Revillame said it could be possible that the incident was an "inside job" because the suspects apparently knew where his duplicate keys were located. The robbers also attempted to open Revillame's vault but failed.

Revillame hosts the noon time variety show *Wowowee*. ■

Senior Superintendent Magtanggol Gatdula, Quezon City Police District (QCPD) chief, said the incident occurred Saturday but Revillame only discovered it around 4am Monday.

"Revillame discovered the burglary upon entering his room and finding it in complete disarray, prompting him to report the incident to authorities," he said.

Mark and Jennylyn 'Together' Again

Mark Herras and Jennylyn Mercado are working together again. "Happy ako na nakabalik na si Jen," Mark enthused. "Mas matured na siyang mag-isip after manganak."

Doesn't he have plans of wooing her back? "Ayoko munang ma-involve sa personal life niya. Kaka-comeback pa lang niya. Pero 'di ko talaga masabi what will happen. I'm happy to be her friend and *ninong* to her baby AJ."

Their closeness has transcended the *kilig* level. "It's been three years since we broke up. *Di na kami pa-cute lang. Dami na naming napagdaanan* as individuals. We're stronger than before."

Jennylyn Mercado is back in show biz but not (yet) in Mark Herras' clutches.

Like a winner

Iza Calzado almost made it to the final list of nominees for Best Actress in the International Emmy Awards. "I already feel like a winner even if *di ako umabot sa final cut of choices*," gushed Iza. "I was surprised because I forgot that our show *Joaquin Bordado* submitted episodes to the Emmy's. I'm grateful that God gave me another source of inspiration. Being noticed by a prestigious award-giving body is fulfilling enough."

Emmy or no Emmy, Iza will show off her acting prowess in four gripping episodes of *Obra* every Thursday of November (after *GMA Telebabad*). She portrays a woman possessed by an evil spirit with a sinister past in *Sanib*; a female boxer torn between the man she loves and her father's dream for her in *Boksingera*; a losing contestant in beauty pageants who is determined to win a crown even if she joins gay beauty contests in *Beauty Queer*; and an assassin who wants to change her life but her profession keeps haunting her in *Stella .45*.

What about her role as girlfriend to Jerry Garcia in their long distance romance? "I manage to stay faithful even if I work with gorgeous men. I'm more into beautiful souls." Iza really knows and breathes beauty in all its forms.

New suitor?

I teased Alessandra de Rossi. "Is it true that Joross Gamboa is courting you?" She laughed. "*Walang magaga-*

nap na ganun. Though enjoy *siyang kasama sa taping, mukha siyang babaera* (laughs)."

I countered. "*Baka naman ayaw mo kasi 'J' uli like your ex Jeremy Marquez?*" She shot back. "*Marami pa naman letters sa alphabet!*"

The long list of admirers of a goddess like Alex ought to be in alphabetical or chronological order?

Sam and KC?

Could it be true that Sam Milby and KC Concepcion are getting closer? How uncanny that Sam's ex Anne Curtis is also the former girlfriend of Richard Gutierrez who's said to be the guy closest to KC's heart. When I cornered Gabby Concepcion about KC's love life, he said, "*Wala pa naman siyang inaamin sa akin*." Nothing official, only superficial?

Deleted number

I asked Yasmien Kurdi for the number of JC de Vera but she said it was deleted from her phone book. I teased her. "Did you delete it on purpose because you're jealous of his love team with Rhian Ramos?"

She laughed. "*Di naman*. I have a new *ka-love* team, Dion Ignacio. I'm more at ease with him. *Na-delete lang number ni JC accidentally*." Accidental or occasional partners?

Birthday wish

Pops Fernandez wowed the crowd when she was a guest at the 56th anniversary of the National Press Club. She teased Erap who was in the audience. "*To my ninong na wala pang nareregalo sa akin. Malapit na birthday ko and Christmas. Sana bigyan niyo ako ng gift na bongga*. Greeting card *na may enclosure* (laughs)." Concert queen turned Queen of wishful thinking. ■
