## SERVICES

**Is Diabetes a Part of Your Life?**  
 Learning to live with this chronic disease is not easy. Even with proper diet, plenty of exercise and regular medication, keeping your blood sugar under control can still be challenging. If you have Type 2 Diabetes, you may be eligible for a research study of an investigational oral medication.  
 You may qualify for this study if you:  
 • Are age 18 years or older  
 • Recently diagnosed with Type 2 Diabetes  
 • Currently, not taking any diabetes medication or insulin  
 • Have been told your blood sugar is too high  
 If you qualify, you will receive study related care & study medication at no charge.  
**To learn more about this study, please call:**
