# One True Love

THREE of the local showbiz industry's brightest and most bankable stars, Dingdong Dantes, Marian Rivera, and Iza Calzado are featured in the romantic/drama film *One True Love*, a love story about a man and two women trapped in a rather complex love triangle.

In the movie, Dingdong plays Migs, a young man who is in a serious relationship with Iza's character named Bela.

The relationship ended when Bela and her family decided to go abroad.

Migs then meets a pretty nurse named Joy, portrayed by Marian. Smitten and still nursing a broken heart, Migs fell in love with Joy and immediately offers marriage, leaving Bela and their relationship a thing of the past, so it seems.

Days before the wedding, Bela returns to the Philippines. Bela is still single and soon enough, realized that she is still madly in love with Migs.

Afraid to be a home wrecker, Bella initially tried to fight against her feelings for Migs.

Migs then figures in a motorcycle accident and develops lacunar amnesia. This is a condition wherein a patient unknowingly blocks off certain time elements, events and personalities from one's memory.

In the case of Migs, it blocks off the three years that he was in love with Joy, only leaving him with memories of Bela.

This paved the way for Bela to finally let go of her fears and doubts, thinking that all is fair in love and war and decided to go on and have an illicit love affair with the man she loves.

Joy finds it difficult to accept what happened but vows to make Mig's heart remember what his mind cannot.

Completing the cast of *One True Love* are Jennica Garcia, Pinky Marquez, Bianca King, Tessie Tomas, Boots Anson Roa and Chinggoy Alonzo.

*One True Love* is a co-production of GMA Films and Regal Entertainment Inc., under the direction of Mac Alejandre. (Advertising Supplement)

Lorna Tolentino launches tribute CD for her late husband

Lorna Tolentino may still be healing from the loss of her husband, popular action star Rudy Fernandez, to cancer June of this year, but this does not stop her from reaching out to those in need, all in the name of Rudy.

Lorna has just recently launched the Hope CD which features songs sang by her and Rudy's long-time friends in the business including Sharon Cuneta, Senators Jing-goy Estrada and Bong Revilla, Phillip Salvador, Christopher de Leon, Ricky Davao, Edgar Mortiz, Tirso Cruz III, and Gary Valenciano. All the proceeds will go to the Rudy Fernandez Foundation, which was established to give aid to cancer patients and their loved ones.

When asked by Philippine Entertainment Portal how she plans to celebrate the coming holiday season, Lorna admits she is not ready yet to be in a celebratory mood, adding that she has no plans for her birthday on Dec. 23. However, Lorna says she is trying her best to move on and is rearing to begin shooting for a new soap for ABS-CBN, as well as films under Star Cinema.

"Life will go on," she says. "Ayaw ni Rudy na nalulungkot ako, ayaw niya akong umiyyak. Ang mga bata, very supportive naman sa akin. At bukod sa teleseryeng sisimulan ko, magiging busy pa rin ako sa advocacy ko to help the cancer patients."
