

Eskaya Beach Resort & Spa The Perfect Escape

HUGGED by powdery beaches and sparkling blue waters, and blessed with the gifts of history and heritage, Bohol is more than just its world-famous Chocolate Hills, indigenous tarsier, and centuries-old churches. This popular tourist hub in the Philippines holds and radiates a charm like no other, an enticing spell that always beckons and allures the weary traveler.

In the middle of last year, another breathtaking place for respite added up to the seemingly endless list of reasons to come to Bohol. Nestled in the stunning Panglao Island facing Bohol Sea is Eskaya Beach Resort & Spa, a new luxury island resort that spells exclusivity and a breath of fresh air everywhere you turn—whether you are dipped in the pool, lying on the white sand,

and rich spa rituals. Surrender yourself to the invigorating combination of music and touch therapy, every bit of the experience a glorious treat to the body and spirit. The good news is Handuraw Spa is offering 50 percent off on all treatments until February 2009.

One will never run out of exciting activities in Eskaya. Answer the call of the sea—learn diving, go for a jet-ski ride, or see the wonders under the sea by snorkeling. Bond with your loved ones over beach volleyball, badminton, pingpong or through a simple stroll along the shores. The choices are endless. If you need to get in touch with your friends, families or colleagues, Eskaya maintains an Internet Wi-Fi connection for your convenience.

The next time you fly to the Philippines, have Bohol in mind. Now you know the ideal place stay to while away your time.

or resting in your plush villa.

The well-landscaped Eskaya is perfect for those seeking maximum relaxation and intimacy. You will be whisked to an elegant villa of your choice and pampered in various spa treatments, get to encounter diving excursions, and enjoy tours around the countryside.

Tourists may choose from a whirlpool villa, infinity pool villa, family villa, or the presidential villa—all designed with decidedly Filipino architecture and built with sturdy construction materials, but with a splash of modern amenities.

The friendly people behind Eskaya only want to showcase genuine Filipino heritage, culture and values through excellent service and world-class facilities. This 100-strong Filipino force is proud to offer *balikbayans* and tourists alike a luxury getaway in the Phil-

ippines. Eskaya boasts of fun and relaxing amenities and facilities to make every day memorable. Whether you want to bask in the privacy of your own private swimming pool, or rejuvenate your senses in the infinity pool and your private whirlpool—it's your choice. No matter what you choose, the calm and soothing waters in Eskaya will wash away your stress, gradually

lifting your senses to a state of bliss and peace.

Dining at Eskaya is never a problem. Inside is Lantawan Restaurant, which faces the infinity pool and the sea beyond. Or you may dine *al fresco* at the poolside, best during the night where you can have an unobstructed view of the moon and the stars. Beachfront dining, meanwhile, is best with a bonfire. Still you may opt for in-villa dining, or by the seaside decks.

Another amenity not to be missed is Eskaya's Handuraw Spa, which sits atop a hill where you can experience the skillful rendition of Filipino and oriental spa treatments
