Filipino-American Associations in America

Searching for a kababata from your hometown, a college buddy or a Pinoy colleague? Your search is finally over. The Asian Journal brings you Re:Union, Filipino American Associations in America—your link to a network of kababayan associations here in the United States. As your Filipino-American community newspaper, the Asian Journal recognizes your need to nourish and maintain ties with the people and the culture you were born with. This is our way of connecting our kababayans to the past, of creating new opportunities for the present and of inspiring you to pay it forward by becoming active members of your association and the FilAm community at large in the future.
