Catch the spring fever at Robertson Honda

FOR writers and poets, the muse has always struck them best during spring time, when snow starts to melt away and flowers start to bloom. For business owners, luck seems to strike them best during this time as it means more customers fresh from their winter solace and are now eager to spend their hard-earned money on something special. For those of us who are neither writers, poets or business owners, spring time may not be that exciting as it is a time where we have to stock more on anti-allergy medicines.

Mike Reyes, Filipino Desk Manager

However, at Robertson Honda, there is a different kind of spring fever, a good kind of spring fever where you can get the best car deals you hope for.

At Robertson Honda, customers are always valued and provided with the best service all the time. This is the main reason why they received the 2007 Council of Excellence (COE) Award for their strong commitment to a rewarding relationship with Honda Financial Services (HFS) and as the No. 1 Filipino Honda Dealership in the San Fernando Valley.

The Robertson Honda team—composed of Danny Reyes, General Sales Manager; Mike Reyes, Desk Manager; and a Filipino Fleet Department—are always committed to give the highest quality of financial services to their customers.

Danny Reyes, the person behind the 10-people-strong Filipino Department, is faithful in giving the lowest possible monthly payments while making sure that the buyers get the Honda that they want and need. He also helped in establishing a strong foundation of Filipinos from various islands of the Philippines who are willing to serve every person that comes in. So whether you are Visayan, Bicolano, Kapampangan and so on—chances

are, they speak your native tongue.

The Filipino fleet has definitely set a high standard when it comes to the car dealership business as more and more Filipinos in the San Fernando Valley area trust Robertson Honda over the others.

And Robertson Honda's service doesn't end when you finally get to drive home your vehicle. They have several programs that reach out to the community's needs, one of which is the Newly Graduate Program, which can help rebuild your credit by giving you a car even if you have a bankruptcy or repossession at a very minimal downpayment.

Meanwhile, Robertson Honda's Parts and Service Department headed by Joe DeRobertis is responsible for servicing your Honda vehicles and maintaining them at tiptop condition. Here you can relax and mingle with *kababayans* while sitting in their waiting area where coffee is complimentary, snacks and reading materials are within reach and a state-of-the-art plasma TV with hundreds of channels to choose from can kill your boredom before it even starts.

So catch the spring fever at Robertson Honda while you can, make the "Number One Filipino Honda Store" for 40 years your choice. Visit Robertson Honda at 5841 Lankershim Blvd. in North Hollywood, and experience quality service that will exceed your expectations. For inquiries, please call 1-800-813-3467 or log on to www.robertson-honda.com.
