Celebrity Trivia

There is a non-traditional way to look for a job these days. If you consider yourself computer savvy, shy and you find it awkward to personally ask for vacancies from companies or to solicit referrals from your network of friends, online job hunting may be the best option for you.

Ai-Ai de las Alas and Ogie Alcasid

- The tattoos imprinted all over Robin Padilla's body are more than just art. Each tattoo has a story behind it.
- Ai Ai de las Alas is afraid of ghosts. The Comedy Queen also ought to be called *Tulog Queen* because she loves to sleep.
- Lorna T's fave scent of all time is Tova (and mine, too). LT hoards as much Tova as she can in the perfume shop where we are both *suki*.
- While Ces Dylon was climbing up the mountain during her captivity, she kept saying to herself, "What I would do to have a glass of wine right now!"
- Ogie Alcasid is hooked on Facebook's "Farm" feature.
- Gabby Concepcion isn't fond of watching himself on TV. He cringes whenever he comes across his old movies on TV.
- Cesar Montano gets a kick out of watching TV ads when he's abroad and records his favorite ones.
- Sunshine Cruz panicked when she woke up and saw red spots all over her face. It turned out that her hubby Buboy was in a playful mood so he placed red dots using Pentel pen on her face while she was asleep.
- Dingdong Dantes sleeps with his eyes half-open.
- Diether Ocampo has quit drinking (even wine) for many years now. It makes him feel more alive.
- Dennis Trillo was an agent for a telecommunications company before he joined show biz.
- Pops Fernandez isn't comfy singing in a karaoke bar.
- Liezl Martinez doesn't like eating fruits.
- Regine Velasquez rarely lets others do her make-up. She would rather do it herself. Her dad Mang Jerry once told me, "*Nakakalula ang mahal ng make-up niya!*"
- Luke Mejares doesn't drink cold beer to preserve his voice.
- Jolina Magdangal has VCD copies of all her TV appearances ever since she started in the biz.
- Alex Gonzaga is a chocoholic and loves to drink *buko* juice.
- In her younger years, Nora Aunor used to pretend she lost her voice when being interviewed by *colegialas* speaking in straight English.
- William Martinez is allergic to watermelon. ■
