*"I came to the United States on June 14, 1989 leaving my family behind. I went to Topnotch and study the Topnotch International and me to continue to my different companies. In a matter of days, I was contacted for my first job and for the present, I am still employed. My first application was filed on September 17 of the same year and was approved in less than two weeks. I was able to file I-130 for my family I-149 and was O-1 (May 13, 2005), I came to the USA to start my family. Our great work was approved on August 2004 and in January 2005, we had a very happy reunion with our families in the Philippines. Thank the Topnotch for playing a very important role in our success."*
