

**The spice of life in every bite with Chowking's new Szechuan Crunchy Chicken**

CHOWKING'S crunchy, juicy, delicious Mandarin Chicken has always been a customer favorite, but now we've made it even more exciting with a dusting of Szechuan spices!

Just a bite of our new Szechuan Crunchy Chicken is an explosion of flavors -- from exotic oriental herbs to fiery chili peppers.

Seasonal products such as the Szechuan Chicken are introduced on a monthly basis so that customers will always find something interesting at Chowking. "Other new items on the menu are the Lumpia Especial (Fresh Spring Roll) and the Seafood Meals in addition to the Szechuan Crunchy Chicken," said Andrew Quemuel, Chowking-US Operations Manager.

"But what has been gaining real popularity among our customers is our new Salo-Salo Set Meals. These are meal combinations that are good for 4 to 6 persons. Perfect for sharing with friends or family!" he explained.

Recently, Chowking also launched its value menu selections. According to Mr. Quemuel, "We aggressively rolled out our 2.99 for 2009 Campaign early this year...in response to the needs of our market. We want to show our customers that we're with them in these difficult times. This is why we are offering all these great choices at incredibly low prices. I mean, where can you get a Breakfast Meal or a Chicken Meal for just \$2.99?"

Chowking also offers a wide variety of tempting items for breakfast, lunch, merienda and dinner -- from our signature noodle soups, dimsum, rice meals, merienda to shakes and halo-halo.

To enjoy these delicious Chowking specials, visit any of our 16 locations in California and Nevada. **Max's Puente Hills introduces exciting Stimulus Plan**

WHO SAYS you can't have great food at great value? Max's Puente Hills Mall recently launched a Stimulus Plan that's sure to stimulate your taste buds!

The plan features a variety of meal options so full of value that customers will truly appreciate. "We are very responsive to our market. These days, people are looking for real value...so we came up with our Stimulus Plan," said Liza Abraham, Max's Puente Hills Operations Manager.

"The number one item on our Stimulus Plan is our Power Lunch. This is tailored for busy people who are looking for a quick bite. At \$6.95, it's truly a complete meal, consisting of an entree, a choice of soup, salad or appetizer, plus dessert and soda. Isn't that an incredible value?" Abraham added.

Indeed, these creations from the restaurant's in-house Chef are by no means ordinary. Value Menu items range from Max's famous Chicken to seafood favorites such as Tilapia, Mahi-Mahi, Salmon and Shrimp.

"We also have our Personal-Size Surf and Turf Specials consisting of Angus Sirloin Steak with choice of Shrimp or Calamari for only \$9.95," added Ms. Abraham.

Finally, Max's also offers great Family Value Meal options. According to Ms. Abraham, "A whole Max's Chicken is only \$9.95 when you order it To Go, instead of the regular price of \$12.50. Plus you can add a side of Pancit Bihon or Lumpiang Shanghai for just 3.95 per order. So there's no reason why you and your family can enjoy a delicious Max's treat at home!"

Since it opened six months ago, Max's Puente Hills has been gaining a reputation as the dining and entertainment showcase of Southern California.

The restaurant's elegant interiors, excellent service and exceptional food quality have set it apart from other Filipino restaurants.

It also has spacious function rooms, as well as an outdoor patio for parties, events, business meetings and other gatherings. Set Party Packages are also available to suit any budget. "Inquiries about party or event bookings are always welcome. We can customize any package to meet our customer's needs," said Ms. Abraham.
