O Skin Care of the Celebrities

MS. OLIVIA QUIDO, licensed aesthetician, has been working her magic on the skins of celebrities the likes of Angel Locsin, Ruffa Gutierrez, and Eric Quizon to name just a few. Even internationally renowned Jazz singer, Patti Austin, is a loyal patron. With her pristine reputation as one of the best in the field, even Dr. Vicky Belo praises her as the best facialist, it isn't a surprise that another celebrity has joined the long list of clients trusting their most important asset into her capable hands.

Olivia Quido with Jaja Bolivar

Talented actress, comedienne, and performer, Jaja Bolivar, is the host of the lifestyle magazine show *Adobo Nation*, and she admits that having flawless glowing skin is important because the competition is tough. With her busy schedule of hosting a weekly show, marketing and producing her lounge show, going to casting calls, and even honing her skills to prepare her for mainstream entertainment are certainly stressing and it shows on the skin.

Jaja recently paid a visit to the O Skin Care clinic where, under the skilled hands of Ms. Olivia Quido and her expertly trained team, she was pampered like a star that she is and was treated with a "Diamond Peel with Collagen" – a 75-minute painless treatment that targets and helps reduce or eliminate fine lines, wrinkles, scars, enlarged pores, age spots, and hyperpigmentation.

Afterwards, Jaja remarked that her skin felt smoother and more supple. She was raring to go back to doing casting calls, more confident knowing that her radiantly glowing skin is sure to be an advantage over the competition.

O Skin Care is the place where you can achieve the skin you've always wanted. Ms. Olivia Quido and her professional team understand what your skin needs. They have the knowledge and tools to bring out the beautiful skin hidden within you.

There is good news. You can be just like Jaja and the countless others that have gone to O Skin Care and left with per-

fectly glowing skin. From May 1 to June 30, O Skin Care is having a 25% OFF promo on their facial treatments. What's more, if you bring a friend along, you both can each avail 50% off.

You can choose from a range of facial treatment that include:

Nourishing Regular Facial – an hour of introductory facial that includes extractions and lightening mask.

Hydrfacial Treatment – a 90-minute treatment that penetrates deeply, exfoliating and removing dead layers of the skin, polishing and resurfacing the dermal layer by using the newest microdermabrasion 'diamond tip'. This is followed by masks and serums and is finished off with LED light therapy. This is ideal for problematic acne prone skin or sun damage.

Oxygen Facial Treatment – a 90-minute treatment of 100% pure oxygen in conjunction with a combination of 87 different vitamins, minerals, enzymes, and amino acids used after exfoliation for nourishing and revitalizing every facial skin cell, which also assists in controlling acne-causing bacteria and providing collagen strength.

You're just a visit away from getting that great skin. Take advantage of this opportunity. It's important you take the extra steps in taking care of your skin. Just like celebrities, your skin is your greatest asset.

Let's all face it. There are obvious reasons why people are skeptical on using beauty products or going to beauty/aesthetic clinics. The promises that beauty products depict on advertisements are sometimes not accurate or worse, the results we expect from them might not happen at all. On the other hand, beauty/aesthetic clinics scare some people off because of some unfortunate results that happened to some patients that were shown either on TV or on the Internet. And most of all waste of money

and health issues are big reasons why people are reluctant to resort to beautifying themselves through either of the two.

Worry not! Allure Cosmetic Solutions is here now and is open to serve your aesthetic needs. Money? No big deal, because with Allure, the money you take from your pocket is assured of bringing you of what you need Satisfaction? With Allure, the results you intend to have is in the bag if you
