

Becca Godinez to 'Stir It Up!' at Gospel Life Community Church

A CELEBRATION of faith and life comes to the Gospel Life Community Church as they present *Stir It Up!* a concert featuring the uplifting, life-affirming Christian music of actress, singer, composer, producer, director and recording artist Becca Godinez. The concert (title taken from a song in Godinez's *Road to Humble* CD) hopes to bring more worshippers to the Christian church based in Walnut, California and to raise funds for their continuing missionary work in the Philippines.

Pastor John Tulio has been the lead pastor of the Gospel Life Community Church since its foundation in 1997. Gospel Life planted churches in Palawan, Nueva Ecija, Rizal, Davao and continues to plant churches throughout the Philippines. Gospel Life helped the churches it planted by providing them with the course materials, instructors, advice and financial aid. In October, 2009 the worship building in Iriwan, Palawan will be inaugurated. This building was built by the people of Iriwan with the help and aid of Gospel Life. Evangelism and discipleship are at the core of the Gospel Life's mission.

Explains Tony Luciano, Media Ministry Coordinator for Gospel Life, "the church prayed for a well known Filipino talent who is a born again Christian and God answered our prayers through Becca.

We are excitedly praising the Lord for giving her to us as our featured concert performer."

Joining the concert as a special guest will be saxophonist Ner de Leon. The in-demand musician has played for artists such as Sheryn Regis, Charice Pempengco, Rico J., Marco Simon, Jessa Saragoza and Nora Aunor. This Berklee-educated saxophonist has released two albums entitled True Light and Love Songs & Saxophone. He is currently collaborating with songwriter/composer, Vehnee Saturno, on his third album which will be released in the Philippines on September 2009. Ner has always reached out to the impoverished children and families of the Philippines by donating the sales of his previous benefit concerts and projects. This passion to bring aid to those who needs it the most stems from his personal mission statement: to create music that emanates the message of love, hope, and peace of Jesus Christ who has the power to change lives as Ner, himself, stands as a living testimony.

"It is an awesome and humbling experience to be able to do give back to God a small fraction of what He gives me graciously each day" exclaimed Becca Godinez. "The folks I have met at Gospel Community -- they are so deeply sincere about service to God and giving back to the community that I am honored to be a part of their vision. I al-

ready know - even before this little concert takes place that it will be a blessed... joyful - - Spirit filled... praiseful event because its purpose is eternal. I can't wait!!!!"
