"I used to play the piano when I was young," she told Asian Journal on Sunday. Now she takes voice lessons under Sharon Tanyag and favors songs by Celine Dion and Beyonce. In the talent demonstration, she sang a Minnie Riperton classic, "Loving You," hitting all the high notes. Ciara wrote a song, entitled "Friends Forever," which is down-loadable from I-Tunes, Rhapsody and E-Music. "If I am still singing by the time I graduate from high school, I may consider a career in music," Ciara said. "If not, I will take up Nursing, just like my mother," she said.

piano when I was little, and I dabbled in violin for a year a couple of years ago," she relates. She is applying to the Bastyn School in the state of Washington to that she could specialize in women's health and pediatrics. Ana graduated from University of California Los Angeles (UCLA) with a degree in Psychology, and finished a two-year Nursing program at the Rio Hondo Community College.
