The beauty of forgiveness according to Dr. Vicki Belo

their own agenda. On some level, I feel that we are all guilty of sensationalizing the situation. Our curiosity has gotten the better of us it seems. Amid the brouhaha, one woman stands tall. Dr. Vicki Belo whom many view as also a victim in all of these, is naturally concerned but not rattled.

Her confidence comes from knowing that she did nothing wrong. This famous beauty doctor has really had share of *intriga* and trials.

I can still remember back in early 2009 when Vicki personally shared her heartbreaking story about Hayden. She was really hurting then. All throughout that conversation, she never once mentioned the identity of the "other girl" (*kasi hindi pa* officially *lumabas sa press ang pangalan ng* sexy actress). I had my suspicions but I did not press her for answers.

Vicki said she was still trying to understand what happened to Hayden so that she could somehow deal with the pain of his betrayal.

While on a trip to Georgia last March, Vicki found time to touch base with me about the latest on her. She told me that she was already starting to get over it; that she has forgiven Hayden.

It takes a strong woman to deal with a betrayal of this magnitude and forgive the person or persons who have done her the greatest damage.

Not only has Vicki had her heart broken in the most humiliating way imaginable but her professional

credentials have also been unjustly questioned because of this issue. and Crystalle. She said this is the kind of love that will really see you through whatever challenges you face in life. Boyfriends may come and go but the love of your children and family, you can always count on.

And for Vicki to still have the heart to forgive is really superhuman.

She even credited Hayden for making the effort to set things right. He's been seeing a therapist toward the process of forgiving himself as well.

Vicki refuses to let the crab mentality pull her down. I commend her for this. Whatever the outcome, I know she will get through this stronger and if possible, more compassionate.

I was touched to see her on TFC recently giving an interview about the lessons she's learned from all of these.

Her candor is very moving. She recognized the unconditional love from her two children, Quark

taong tulad mo para unawain ka. At yun ang dahilan bakit attracted si Hayden Kho sa'yo. Sad to say din, parang palagi mong mapupuna ang sarili mong sinusuportahan usually ng pinansyal ang mga naidikit sa'yo. Isang lalaking mas may edad sa'yo at may halong lahi mula sa Asya ang makakaunawa sa'yo. Antabayan ang lalaking ito na malamang sa hindi e mahilig mag-tie na reddish at purplish. Ang ending nito? Malakas vibes ko, di makukulung si Vicki. Maka-kaahon siya sa kinasasangkutan niya ngayon. Cycle na sa kanya na kapag nakitaan ng kahinaan, e automatic kasumod ang katatagan. Yan ang nababasa ko sa bolang
