# He drinks hard, works harder

**M**ANILA — Baron Geisler is irked that he's always put in a bad light even when he's trying his best to do his work well.

Rumors circulated that he got into a brawl with co-star Aljur Abrenica during their shoot in Bohol for *Nandito Ako*, and that he had a parrot fried for pulutan because he was drunk again.

"Nakaka-frustrate na lahat na lang nang gawin ko, nilalagyan nila ng alcohol na angle," says Baron. "I don't deny I love to drink but I love my work more. I don't drink on the set. Besides, Direk Maryo J doesn't allow it. Na-carried away lang kami ni Aljur sa fight scene but okay na kami... It's not true na nagpaluto ako ng parrot. It was a parrot fish and a lapu-lapu which I wanted Mother Lily to try when she visited us sa shoot."

Baron's not one who would let his vice get in the way of his passion.

#### Doting lolo

Danica Sotto Pingris is all praises for her dad Vic Sotto as a lolo to her firstborn Jean-Michel a.k.a. Mic who turned 1 year old last June 29. She and cager hubby Marc gave Mic a grand party at the Fun Ranch.

"Dad doesn't spoil Mic naman," says the proud mom. "But he makes him feel so loved. He doesn't stop kissing my baby. When he visits us, dad would look for Mic right away and ask, Saan na 'yung maliit na tao?"

Lolo Vic gave Mic a check for his birthday. Amount undisclosed. Knowing how generous Bossing is, it must be in the vicinity of what he gives away in "Who Wants To Be a Millionaire?"

#### Contagious 'virus'

Ogie Alcasid wasn't wary at all that he would catch the A(H1N1) virus from his honey Regine Velasquez. "I took good care of her when she was down with it," Ogie said. "I got worried because she was so weak and her fever was so high for almost four days."

Their sweetness is more contagious than any virus. What they have is H1N1—Honey 1 N only!

#### MJ fan

Super talented artist Armand TJ ought to be given a break. His first album *Only in Boracay*

never fails to soothe me. His second album *Better Than a Feeling* contains a bonus track, *Moonwalker*, which Armand composed as a tribute to Michael Jackson.

"The song wrote itself through me," he says. "The same way music wrote itself through Michael. The whole world has become one generation because of MJ's music."

MJ fanatics unite and let's sing our hearts out the way MJ always did.

#### Gary V successor?

Sam Concepcion is forever grateful to his loyal fans, SAMsters, for making him one of the most successful tween stars today.

"I've come this far because of them," Sam says. "And I know we still have a long way to go together."

Sam broke new ground when he was tapped to sing the theme of the international blockbuster *Kung Fu Panda*.

Gary V handpicked Sam and Billy Crawford as his rightful successors after being impressed with Sam's performance in his concert.

His second CD will be released later this year. Catch more of Sam in *Your Song Presents, Boystown* and on *ASAP '09* as one of the Gigger Boys.

#### There's something about Sam!

#### Potential blockbusters

Viva Films is gearing up for two potential blockbusters. Their next projects are a Richard Gutierrez-Anne Curtis movie (*Maybe This Time*) and an Aga Muhlach-Regine Velasquez film. The stars are ready for their close-ups and match-ups.

#### Leyte revelry

The Kapamilya network, headed by ABS-CBN Tacloban's station manager Clifford Nolido, recently joined the Pintados festival revelry in Leyte. Leyteños, led by Papi Cholo and Mama Mavette of MOR 94.3 *For Life ... Sikat!*, flocked to Robinsons Place where they played various games and won Kapamilya shirts and premium items.

With his songs in the vernacular, the Bob Marley of Leyteños, Banal of the Greenpeace band, made the crowd sing along with him.

Sandwich sent the crowd of 10,000 dancing on its feet. Rico Blanco proudly announced that he hails from Leyte.

It was one unforgettable fiestagavanza as the Kapamilyas painted the town red in true Pintados fashion. ■
