

Seafood City-Gawad Kalinga Village nears completion

10 more homes turned over to beneficiaries; brings total to 33

MANAPLA, NEGROS OCCIDENTAL -- Spirits were high at the recent turnover ceremony held at the Seafood City-Gawad Kalinga Fisherman's Village.

Ten more homes were turned over to beneficiaries, bringing the total to 33. Another 7 homes are scheduled for completion before Christmas.

In its desire to touch the lives of Filipinos

everywhere, Seafood City has embarked on various Kabalikat Community Partnerships in the hope of giving our *kabayans* and their children a better chance at a better life.

Its involvement with Gawad Kalinga and GILAS (Gearing Up Internet Access and Literacy for Students in the Philippines) are prime examples of these. Seafood City continues to seek out avenues

where we can make a difference in Filipinos' lives.

For more about Kabalikat Community Partnerships and how you can help or donate, visit our store and see for yourself what we mean when we say, *kayang-kaya kung sama-sama*.
