

A Concert for a Cause

Sta. Maria Wind Ensemble blows the crowd away!

ON SUNDAY NIGHT, March 22, *Concert for a Cause* was surely an event to see. The concert was intended for the struggling students in the Philippines who can benefit from a scholarship. The Celebrity Centre in Hollywood gave a vibrant mood to the atmosphere as the maestro Noel Buan conducted his heart out.

The evening began with the traditional *Star-Spangled Banner* and of course the anthem of the Philippines, *Lupang Hinirang*. The crowd did not get disappointed as this concert was truly an extraordinary concert that actually kept them awake the whole time.

There was playing, singing, acting and even dancing. The soloist, Rommel Agatep on Clarinet, along with the duet of the brothers Nino Buan (trumpet) and Ralph Buan (trombone) revealed the exceptional talent that this upcoming ensemble had. The singers, Luningning Manahan and Joemari Manahan, did not fail to please the crowd as they sang some famous songs like *Pakiusap* and *This is the Moment*.

There was even a choir who performed some great hits. All of this was already astonishing, however this ensemble did not fail to give the audience more. The great arrangements like *Top Hits*, which featured the great songs like *She Bangs*, *Let's Get Loud*, *Maria* and *Tagalog Medley* which featured the Filipino greats like *Kastilyong Buhangin*, *Ngayon at Kailanman*, *Kailangan Kita* kept the crowd moving and grooving to this ensemble's beat. Also, the stellar acting and singing of talented kids to the musical *Annie*, kept the crowd wowed and amazed!

The banded ended just the way it started, great! It ended with some of the most popular songs in the music world, like *Rocky* and *Beatles*. While, it was sad to see it go to an end they again pleased the crowd with some food like *pancit*, *adobo* and *Krispy Kreme* for FREE! This is a night that not only Noel Buan and his whole musical family will not forget, but also the crowd that watched every note they sang, played and

danced to. The Sta. Maria Wind Ensemble is one band that one should keep their eye on because they had the crowd saying "What's next?!" Everyone is waiting to see what is in store for this young and upcoming ensemble. Well, in April of 2010, the band plans to play another wonderful concert and if anyone would like to sponsor this band feel free to contact because a young band needs all the help they can get. Please contact Maestro Noel Buan at (714) 329-4422. ■

Actually, all the older ladies and gentlemen who go to the gym and work hard to stay fit are awesome. You're incredible motivators for people like me to keep going, too.

Nic's birthday isn't that far off. Hmm, party ideas, party ideas ...

Rob's birthday is even closer! Thank goodness I know just what to get for him, because he told me what he wants. Hee-hee!

Congratulations to all World Vision graduates, and thanks to World Vision for the invitation to attend and witness this momentous occasion.

Earth Hour was a success! Thanks to the Department of Energy for the invitation to be part of the event. Amazing what turning off the lights for just one hour can do.

Thank you, Avon, for *Speak Out!* No one should ever be the victim of domestic violence and no one should ever remain silent if they become one. I know enough women — beautiful, intelligent women — who have been brutally battered physically, sexually or psychologically by the men they have pledged to love for a lifetime. Silence is never acceptable. ■
