

Max's Puente Hills introduces exciting stimulus plan

WHO says you can't have great food at great value? Max's Puente Hills Mall recently launched a Stimulus Plan that's sure to stimulate your taste buds!

The plan features a variety of meal options so full of value that customers will truly appreciate. "We are very responsive to our market. These days, people are looking for real value...so we came up with our Stimulus Plan," said Liza Abraham, Max's Puente Hills Operations Manager.

"The number one item on our Stimulus Plan is our Power Lunch. This is tailored for busy people who are looking for a quick bite. At \$6.95, it's truly a complete meal, consisting of an entree, a choice of soup, salad or appetizer, plus dessert and soda. Isn't that an incredible value?" Abraham added.

Indeed, these creations from the restaurant's in-house Chef are by no means ordinary. Value Menu items range from Max's famous Chicken to seafood favorites such as Tilapia, Mahi-Mahi, Salmon and Shrimp.

"We also have our Personal-Size Surf and Turf Specials consisting of Angus Sirloin Steak with choice of Shrimp or Calamari for

only \$9.95," added Ms. Abraham.

Finally, Max's also offers great Family Value Meal options. According to Ms. Abraham, "A whole Max's Chicken is only \$9.95

when you order it To Go, instead of the regular price of \$12.50. Plus you can add a side of Pancit Bihon or Lumpiang Shanghai for just 3.95 per order. So there's no reason why you and your family can enjoy a delicious Max's treat at home!"

Since it opened six months ago, Max's Puente Hills has been gaining a reputation as the dining and entertainment showcase of Southern California.

The restaurant's elegant interiors, excellent service and exceptional food quality have set it apart from other Filipino restaurants.

It also has spacious function rooms, as well as an outdoor patio for parties, events, business meetings and other gatherings. Set Party Packages are also available to suit any budget. "Inquiries about party or event bookings are always welcome. We can customize any package to meet our customer's needs," said Ms. Abraham.

Max's of Manila at the Puente Hills Mall is located at 1600 S. Azusa Avenue, City of Industry, CA 91740. Phone: 626-363-1766. For more information, visit their website: www.maxspuentehills.com

LEADERS' DIGEST

Filipinos are everywhere in America - from the East to the West coast. However, as the second largest Asian American community in America, we still have to empower ourselves to become more visible in the political mainstream. Unknown to us, fellow FilAms are making a difference across the US - as appointed and elected leaders in their respective areas. The Asian Journal Leaders' Digest aims to present to readers these leaders who have made - and continually making a difference for the Filipino American community.

Shaylene Iseri-Carvalho

First Female Hawaii Prosecutor
Elected Twice to the Kauai County Council

by CYNTHIA DE CASTRO
AJPRESS

A FEW months ago, Filipino American Shaylene Iseri-Carvalho was elected as Kauai County Prosecuting Attorney, becoming the first female prosecutor in Hawaii's history. In an interview with KGMB9 News, Iseri-Carvalho was asked to comment

in the courtroom setting. My experience over at the Kauai County Council has really allowed me to see things at a much broader perspective than just looking at law in and of itself. Based on these experiences, we have developed a concept and vision of what our office of the Prosecuting Attorney should be about. That concept is the guiding principle of Pono Kaulike- Equal Right and Justice for all."

Born and raised on Kauai, Shaylene comes from a family of ten. She is married and the proud mother of two children. For her outstanding work in government, Iseri-Carvalho was among a selected group of Hawaii's Filipino American elected officials honored by the National Federation of Filipino American Associations (NaFAA) last Aug 2008. The NaFAA is a national, non-partisan organization comprised of 12 regional chapters that represent more than 500 Filipino-American organizations across the US and the Pacific Basin.

Kauai's Prosecuting Attorney said her office will have a "grassroots approach to being a problem solver instead of being a case processor, which is what the traditional roots of a Prosecutor had been in the past."

Don't fall short. Shorts are the must-have, versatile item for spring. Sophisticated flat front shorts from American Living take on an elegant flair when paired with men's dressier sportswear. For Young Men, shorts are edgier; Arizona offers a wide range of new lengths and cuts. While traditional preppy patterns are prevalent, denim dominates with updated twists of casual destruction and rolled hems.

Pattern recognition is key this season with a fresh modern take on plaid for both tops and bottoms. Strong, repeat geometrics as well as bold florals and patchworks enhance the pattern selection. Check out the Whitetag line for some real statement pieces!

It's OK to be narrow minded this Spring with slim, body conscious styling that is carried through from casual Le Tigre sportswear to deeply gorged blazers and suits for men found in both Stafford and J. Ferrar lines. Give a new touch to texture

with updated seersuckers, dobies and refreshing linens.

Pile on the layers - even for spring. No Men's or Young Men's look is complete without at least three light layers which can easily be added or peeled off to accommodate the extremes of the season. Arizona offers an array of styles and colors for this style statement!
