## Regine, not Marian, is No. 1 at GMA 7

**M**ANILA—A well-placed GMA 7 source confirms that the network's biggest male star is still Richard Gutierrez, and that his female counterpart is Regine Velasquez (not Marian Rivera). They are big, the source says, in terms of the talent fees they receive from the Kapuso network.

Spy isn't surprised that Female Host's relationship with Older Co-Host is supposedly on the rocks. FH seems addicted to cosmetic surgery, so much so that some people think she now looks like Tim Burton's *Corpse Bride*. Who would want to be a Corpse Groom?

Regine Velasquez

**Local Benjamin Button**  
Action Star's next remake project can very well be Brad Pitt's *The Curious Case of Benjamin Button*, as he seems to grow younger by the minute.

**Mole** thinks it's because AS' Pretty Sister is a skin doctor, and he is the willing test subject for new beauty remedies.

**Hunk's lonely heart**  
While Former Partner of Cutie Hunk is basking in bliss, CH, currently unattached, is languishing in loneliness, said a friend of the estranged screen couple. "Seeing that FP is happy makes CH feel all the more melancholy," said their pal. Apparently CH's friendship with Singer-Actor (!) went pfft.

Marian Rivera

**Clash of the titans**  
All's seemingly quiet, but there's a raging war between two industry giants. Major Producer has just broken ties with Perennial Partner, a leading media outfit, over money issues.

Harsh words were allegedly exchanged between MP and PP's Top Official. Perhaps that's why PP's next co-production is with Actor-Politico.

**Color her green**  
Green-eyed monster rears its ugly head once more in the form of TV Host. TH doesn't hide her envy of Popular Star's latest acquisition—a million-peso Hermes tote. Is it because TH can afford only a Balenciaga? That is also expensive, yes, but not as luxurious as an Hermes, noted a source.
