Incredible Values this year at Chowking

CHOWKING, the Philippines' leading Oriental fastfood chain, recently launched a new campaign showcasing its value menu selections.

"We aggressively rolled out our 2.99 for 2009 Campaign early this year...in response to the needs of our market. We want to show our customers that we're with them in these difficult times. This is why we are offering all these great choices at incredibly low prices. I mean, where can you get a *Loganisa Meal* or *Meal* for just \$2.99?" said Andrew Quemuel, Chowking-US Operations Manager.

Another great thing is that Chowking also offers a wide variety of tempting items for breakfast, lunch, merienda and dinner—from its signature noodle soups, dimsum, rice meals, merienda as well as shakes and *halo-halo*.

Seasonal products are also introduced on a monthly basis so that customers will

always find something new and exciting at Chowking. "New on the menu are the *Seafood Meals*, the *Lumpia Especial* (Fresh Spring Roll) and the *Szechuan Crunchy Chicken*," said Mr. Quemuel.

"But what has been gaining real popularity among our customers is our new *Salo-Salo Set Meals*. These are meal combinations that are good for 4 to 6 persons. Perfect for sharing with friends or family!" he explained.
