Gutierrez, Aaron Villaflor, Dino Imperial and Sam Concepcion (also known as ASAP's Gigger Boys), immersed themselves in the real Boystown in Marikina to have the 'feel' of the place.

"At first medyo hindi pa clear yung idea ko kung ano talaga yung Boystown, kaya itong workshop-immersion namin ay malaking tulong para mas maintindihan ko at namin kung ano talaga ang sinasabi nilang Boystown," Enchong said.

"Akala ko nga noong una, juvenile delinquents ang mga nakatira sa Boystown, pero hindi pala," Robi imparted.

The boys brought items as giveaways to the real boys of Boystown as they also interacted with the kids who were residing in the said area.

"Malaking bagay na ma-immerser muna sila sa lugar. Makakatulong kasi yun sa pag-portray nila sa character nila sa series," Direk Lino, director of *Your Song Presents Boystown*, expressed.
