

Introducing... The crrrunchiest, tastiest Chowking chicken ever

Chowking Chicken Crrrunchy is a new masterpiece created by our Chef. It's chicken that's so delectable, it's truly fit for a King. Poring over treasured recipes and special blends of herbs and spices from ancient China's Imperial Court, our Chef combined the traditional methods with the new to create a signature dish that Chowking customers like you truly deserve - using fresh chicken and served to you freshly-cooked, at the peak of perfection.

The result: the crrrunchiest, crrrispiest, tastiest, juiciest, most succulent chicken, inside and out. Yes, fresh chicken served freshly-cooked is the best. Using chicken that's never been frozen is Chowking's fresh commitment to excellence, served to its customers - at no extra cost! Evidence of this you can verify yourself: you won't find what many dislike most in chicken - dreadful, awful, blood from the bone. You'll delight in eating New Chicken Crrrunchy down to the clean white bone.

Another ChowValue Creation by our Chef.

Chowking also gives you healthier meal options

The new Chicken Crrrunchy that you'll surely love is not only the tastiest ever, it's healthier too!

Not only have we perfected the cooking process for the Chicken Crrrunchy, we use Zero-Trans Fat Oil and add no MSG (monosodium glutamate) to any of the dishes that come out of our kitchen.

Absolutely crrrunchy and crrrispy on the outside, juicy and tender on the inside. It really is the tastiest Chowking chicken ever!
